

# HARVARD LONGWOOD CAMPUS

**PRE-CONFERENCE WORKSHOPS**  
**Harvard School of Public Health**  
**Kresge Building, 677 Huntington Avenue**

The entrance to the Kresge building is inside a courtyard as depicted here. If you are entering from Huntington Avenue, go down the passage directly in front of the HSPH street banner. Make your first right, and you will find yourself on the porch overlooking the courtyard. Continue through the revolving door and you have entered the Kresge building.
